ANDERSON SHERIFF
IS MAKING RECORDSETS A HIGH WATER MARK
FOR ARRESTS HERE

TWENTY IN CHARGE

Both Whites and Blacks Were Rounded Up Yesterday On Only Two Charges

It may not be a record for the State but Sheriff Ashley certainly made a record for Anderson county yesterday when he rounded up twenty offenders in Pelzer and Belton and brought them to the Anderson county jail. About half of these are negroes while the remainder are white men and there are only two charges—selling liquor and gambling. The Sheriff and his deputies have been busy for the past few days in securing evidence in various cases and yesterday they were ready to act. They secured the warrants and hit the trail for Pelzer and Belton with the result that the Anderson county jail was entertaining more guests last night than for some time.

It was impossible to obtain last night a complete list of all the charges but the following is some of the cases to be seen on the docket in Magistrate's court today:

For selling whiskey: George Johnson, Forrest East, Will Burns, Slick Pollard, E. C. Pepper, Colbert Clinckscapes, Gambling: Jim Campbell, John Campbell, Bert Compton, Oscar Lewis, Will Burns, Colbert Clinckscapes, Waddy Compton, Orange Mattison.

Tom Wall, charged with larceny and wanted in Georgia for that crime, was caught in the net and is now in the jail, awaiting the arrival of the Georgia officials. James A. Williams and Bess Williams were also among the late arrivals, both of them being charged with breach of the peace, carrying pistols, and almost everything else that one could imagine. Waddy Compton was brought over from Belton on a charge of non-support of his family. There were several other charges lodged against various members of the party brought in yesterday and almost all of them will have to answer for two misdemeanors at least.

Two prisoners were also sent to Anderson yesterday from Federal court at Greenville to serve their terms. They were sent here, charged with making liquor and sentenced to three months in the Anderson jail and Marlow Darby, likewise charged with making liquor and sentenced to six months in the Anderson jail.

CASE HEARD IN
POLICE COURT

John R. Cochran Was Arraigned Before a Jury In Anderson On Two Charges

John R. Cochran, postmaster at Anderson, was arraigned in police court here yesterday afternoon at 3 o'clock on a charge of carrying a pistol and of using it in a threatening manner. The jury remained out only a few minutes after the case was placed in their hands and returned a verdict of not guilty on both counts.

Mayor Lee C. Holliman presided and the jury was composed of some of Anderson's best known business men. Some of the city's best legal talent appeared and the court room was crowded while the hearing was going on.

Some unpleasant passage occurred between W. W. Russell and the postmaster in the courtroom once some weeks ago and the case heard yesterday grew out of this.

Local Boys Lost Game Yesterday and Suffered Also a Severe Financial Loss

Maybe Anderson fans like to see baseball but yesterday's game between the Anderson high school and the Central high school of Greenville does not seem to indicate that such is the case. The expense incurred by the Anderson boys in bringing visiting team to Anderson was \$15 and the game receipts amounted to \$7, making a net loss to the local high school of \$8.

GREENVILLE MAN
LIKES "MY TOWN" FOR THE CONTEST

William Goldsmith, Prominent Insurance Man of Greenville Was Here Yesterday

William Goldsmith, one of the most prominent real estate and insurance men in South Carolina, came over from Greenville yesterday and spent the day in Anderson, endeavoring to secure additional members for the State Association of Insurance Writers, of which organization Mr. Goldsmith is an official. There were only two members of the association in Anderson but before Mr. Goldsmith departed he secured eight additional, bringing the Anderson membership up to ten.

Mr. Goldsmith said yesterday that he had never seen a town before where cooperation was so evident. He said that this was the key-note of Anderson's progress and success and that his property was due to this fact. He found that all the insurance men of the city seemed to be pulling together rather than fighting each other as in the case in some other towns.

The visitor enjoyed every minute of his spent in Anderson and said that he really regretted the necessity of his leaving a departure before he could see more of Anderson and "My Town's" people.

ANDERSON AIDED ON
FUND FOR FIREMENMONEY COMING HERE RE
CEIVED BY STATE

FIFTH IN THE STATE

Fund Used For the Purpose of Caring for the Firemen of Anderson's Department

According to the published statements yesterday there is a fund of \$514.72 coming to the fire department of Anderson from the State of South Carolina. This is the share due this city from the sum collected from the fire insurance companies doing business in South Carolina during the year ending in December, 1913.

When asked last night as to what would be done with this sum, Chief Jackson of the fire department said that it would be applied as is prescribed by law. This law says that the money shall go for the purpose of creating a fund to be used for the firemen in case of sickness, accident or death. There have been cases in Anderson—as in all other towns in the State—where firemen have been injured while in the discharge of their duty and during time that they are in a hospital or unable to work, their expenses have necessarily been heavy. This fund provides that their wants be attended to and in the event that the fireman should die his family is assisted by the fund raised in this manner.

Chief Jackson said last night that there had been occasions in this county when such a fund would have been of untold help to the families of firemen and there been such a plan in operation.

The law governing the organization of such a fund says that its details shall be directed by a body consisting of Mayor of the town, Chief of the fire companies and other of the fire department.

Small fire on Market Street.

Blaze in the Wood Box Caused a Long Run for Anderson's Fire Department.

An alarm was turned in yesterday afternoon at 5:10 o'clock and it was discovered that a wood box had caught fire from a spark of the engine at the depot on West Market street. The fire department had a long run but when the engine of the fire was reached the blaze was easily extinguished. The greatest damage done was to the six boxes on the depot burned by the fire department. This resulted from the great dust raised.

Mr. Seign had his face covered by incense.
